Dear Snyder's Church Family,

By now you know that the March newsletter was delayed due to Bill's extended illness. So we will cover the remaining items in March and share April with you today.

HOLY WEEK begins the final week in the life and teaching of Jesus. On Palm Sunday March 29th we will shout our Hosanna's and praise the Lord together. Jeff will preach the Palm Sunday story from Matthew 21: 1 -11 "Palms On The Hill."

DCC GOOD FRIDAY Service will be from noon to 3 pm on April 3rd at God's Missionary Church. The Last Seven Words of Jesus will be shared.

EASTER SERVICES at Snyder' begin at 7 AM on April 5th at the Cemetery. Bill will be preaching the Sunrise message. Following the Service a breakfast brunch will be served by the ladies in the Social Hall. At 9 AM our regular Worship Resurrection Service with preaching this year by Jeff. Holy Communion will conclude our Easter Service.

Holy Week and Easter are wonderful times to "come home" and we invite all to join with us for these special services at Snyder's Church. Invite family who may be with you to come to church with you and see that those unchurched in your neighborhood are also invited and included. God loves you all and so do we.

Sunday's A Comin'

Tony Campolo tells the story of a black Baptist preacher in the inner city of Philadelphia who preached a sermon Tony says he'll never forget. Tony preached first. He was "hot," so "hot" he says, that he even stopped and listened to himself. He sat down and said to his pastor: "Now see if you can top that one!"

"Son," said the black pastor, "you ain't seen nothin' yet." For an hour and a half the pastor repeated these words over and over again: "It's Friday, but Sunday's a comin'."

"I've never heard anything like it," Tony said. "He just kept saying it. The congregation was spellbound by the power of it."

"It's Friday. Mary, Jesus' mother is crying her eyes out. That's her son up there on the cross. He's dying the agonizing death of crucifixion as a criminal. But it's only Friday," the preacher said. "Sunday's a comin'."

"The apostles were really down and out. Jesus, their leader, was being killed by evil men. But it was only Friday. Sunday is a comin'."

"The Devil thought he had won. 'You thought you could outwit me,' he said, 'but I've got you now.' But it was only Friday. Sunday is a comin'."

"He went on like that for 30 minutes, 40 minutes, an hour. Each time he said, 'It's Friday,' the crowd began to respond, 'but Sunday's comin''. An hour and 15 minutes.

"It's Friday and evil has triumphed over good. Jesus is dying up there on the cross. The world is turned upside down. This shouldn't happen. But it's only Friday. Sunday's a comin'."

"It's Friday. But Sunday is comin'. Mary Magdalene was out of her mind with grief. Her Lord was being killed. Jesus had turned her life from sin to grace. Now he was dead. But it's only Friday. Sunday is a comin'."

The place was rocking. For an hour and a half. "Friday! But Sunday is a comin'. Friday. But Sunday is a comin'."

"The sisters and the brothers are suffering. It just isn't fair...all they have to go through, but it's only Friday. Sunday is comin'."

"I was exhausted," Tony said. "It was the best sermon I've ever heard. The old preacher was saying it and the people were with him. 'It's Friday, but Sunday is a comin'. It was powerful," Tony said. "It was personal."

Northeast Conference Enters Partnership Agreement with Malawi Global Methodist Church

The journey toward a formal partnership between the Northeast Conference and the Malawi Global Methodist Church has grown out of prayerful discernment and a shared vision for faithful discipleship and sustainability.

In 2024, prayerful conversations began with Methodist clergy in Malawi who were discerning a call for their churches to become part of the Global Methodist Church. That prayer developed further in January 2025 when the GMC TCAT (Transitional Conference Advisory Team) application was completed and submitted from Malawi. At the same time, the Northeast Conference was prayerfully discerning a partnership with an African area.

God brought these prayers together, and what began as simple communication through WhatsApp grew into a Conference-level ministry.

In August 2025, a team of ten leaders from the Northeast Conference traveled to Malawi to participate in the Convening Conference of the Global Methodist Church in Malawi. The purpose of the visit was to build relationships with Global Methodist believers in Malawi and to discern how God might shape this partnership as all seek the Kingdom of God (Matthew 6:33).

During this season, several churches in the United States contributed to an emergency food fund to support clergy in Malawi. All funding is administered through the Conferences to ensure accountability and to support long-term community development.

In January 2026, the Northeast Conference and the Malawi Global Methodist Church signed a transitional eight-month International Partnership Memorandum of Understanding (MOU), marking an important milestone in the relationship.

That same month, an additional sign of God's provision emerged. The Global Methodist Church in Spain, a long-standing prayer partner with the Northeast Conference, received an offering designated specifically for the sustainability and mission development of the Malawi Annual Conference. This support reflects a shared commitment to helping Malawi become a fully self-sustaining conference. The Northeast Conference gives thanks to God for the leadership and churches of the Global Methodist Church in Spain for their generosity and partnership.

Further updates will be shared as the Northeast Conference and the Malawi Global Methodist Church continue praying, working, and walking together in the name of Jesus Christ.
