**SERVICE IS ITS OWN REWARD**

Born over sixty years ago in Yugoslavia, she responded to Gods call on her life while still a teenager. A missionary's strong challenge to give her life to teaching in India resulted in her appointment to the city of Calcutta. Some months later she saw a sight which completely revolutionized her life, and would ultimately bring her world ide fame as Good Housekeeping magazine's "Most Admired Woman" selection. What was the sight? A homeless, dying woman lying in the gutter, being eaten by rats. Compassion compelled her to beg an abandoned Hindu temple from the government, and convert it into a crude make shift hospital for the dying. A comment of hers became her life's thrust: "If there is a God in heaven, and a Christ we love, nobody should die alone." This woman who established colonies for over 10,000 lepers in 28 cities was interviewed by Malcolm Muggeridge from the BBC News. "Mother Teresa, the thing I noticed about ou and the hundreds of sisters who now form your team is that you all look so happy, is that a put-on?" She replied, "Oh no, not at all. Nothing makes you happier than when you really reach out in mercy to someone who is badly hurt." Service is its own reward. True mercy begets genuine joy.

Today is Memorial Day Sunday and it is a time to remember all of those who gave their lives in service for our nation's freedom and to thank God for their service and sacrifice. Yes it is a time of picnics and other family gatherings...but let us not forget the real reason for this Holiday. For those of our church family who lost loved ones in service to our nation's safety, we pray God's special blessing on each one of you today.
