### DON'T FORGET TO SAY THANK YOU!

When the great composer Henri Mancini turned sixty-five, his daughter, Felice, composed a little musical birthday card and sang it in tribute to her father. It goes like this:

"Sometimes – not often enough – we reflect upon the good things, and our thoughts always center around those we love. And I think about those people who mean so much to me; who, for so many years have made me so very happy. And I think about the times I have forgotten to say, "Thank You!", and just how much I love them."

So, before you rush off to see the priest; that is, before you become absorbed in trying to fulfill all of the expectations others have of you – including the church – take a moment to marvel at the beauty of God's creation and bask in the warmth of God's love, and be grateful.
