NOT ONE OF THEM EVER THANKED ME

Bishop Gerland Kennedy of California tells the true story of a shipwreck off the coast of Evanston, Ill, many years ago. The students of Northwestern University came to the rescue. One student, Edward Spenser, personally saved the lives of 17 persons that day. Years later, a reporter was writing a follow up story on the event and went to interview the now elderly Spenser. When asked what was the one thing that stood out in his mind about the incident; Spenser replied: "I remember that of the seventeen people I saved that day, not one of them ever thanked me."

Collect your used/canceled stamps off all of your mail. Snyder's
Church will be supporting Alliance Stamp Ministry. Carefully trim the
stamps leaving a border around the stamps of 1/4 " to 1/3". Place the
stamps in a plastic bag. Do not use paper clips, rubber bands or even
saran wrap around the stamps. Place the bag of cut out stamps in the
box on the glass case. Bev will see that these stamps get to Florida
where they will be sorted and sold. The income generated from this
