THE FORK IN THE ROAD

According to that great font of wisdom, Yogi Berra, "If you come to a fork in the road, take it." Mark 8 is a kind of theological fork in the road. This chapter is the hinge of Mark's gospel. Not only is this the exact middle of Mark in terms of chapters and verses, it is also theologically the center point at which the ministry of Jesus takes a decisive turn toward the cross. Jesus seems to know what he is doing and also where he is going (or, better said, where he must go whether he wants to go that direction or not). For the disciples, however, Mark 8 does present a kind of fork in the road. And like Yogi Berra, as they look at the fork in the road, they want to take it. They want it both ways. They want to stick with Jesus and be his followers while at the same time insisting that Jesus follow them down the path they want to take.

OCTOBER IS PASTOR APPRECIATION MONTH!
Thank you to Bill and Jeff!
