WEDNESDAY NOVEMBER 11

Veteran's Day

Please say a special thank you to our Veterans who have given and continue to give so much to our freedom as a nation.

Use this prayer on a regular basis and share it with a Veteran today.

A Prayer for Our Veterans

Oh God, our Heavenly Father,
You have blessed us with
brave men and women
who are willing to defend our freedom.
May Your protection and grace
surround them each day.
Let Your healing hand be upon those
who suffer wounds and injuries.
May those who have made the
ultimate sacrifice rest forever in
Your Holy Presence.
Comfort the families who mourn
and are left to remember
the precious lives of their loved ones.
Help us to honor and support them.
Let us ever be mindful of each sacrifice made
on behalf of the American people by our
sons, daughters, husbands, wives, mothers,
fathers, and friends.
Amen.

The Importance of Voting

You are wrong if you do not vote.

You are to render unto Caesar the things that are Caesar's. Our Caesar [in the United States] is a government of the people by the people for the people. One vote may make the difference.

ONE VOTE made Oliver Cromwell Lord Protector of the Commonwealth and gave him control of England. (1645)

ONE VOTE caused Charles I to be executed. (1649)

ONE VOTE kept Aaron Burr – later charged with treason – from becoming President. (1800)

ONE VOTE elected Marcus Morton governor of Massachusetts. (1839)

ONE VOTE made Texas part of the United States. (1845)

ONE VOTE saved President Andrew Johnson from impeachment. (1868)

ONE VOTE changed France from a monarchy to a republic. (1875)

ONE VOTE admitted California, Oregon, Washington, and Idaho into the Union. (1850, 1850, 1889, 1890)

ONE VOTE elected Rutherford B. Hayes to the Presidency, and the man in the Electoral College who cast that vote was an Indiana Representative also elected by ONE VOTE. (1876)

ONE VOTE made Adolf Hitler head of the Nazi Party. (1923)

ONE VOTE maintained the Selective Service System only 12 weeks before Pearl Harbor. (1941)

ONE VOTE per precinct would have elected Richard Nixon, rather than John Kennedy, President. (1960)

I'm only one but I am one. I can't do everything but I can do something and what I can do I ought to do and that by the grace of God I will do.

Dual Citizenship

What a country is America! As Erma Bombeck says, "You have to love a nation that celebrates its independence every July 4th, not with a parade of guns, tanks, and soldiers in front of the White House, but by family picnics where kids throw frisbees, the potato salad gets soggy, and the flies die from happiness."

Some years ago in a U.S. District Court, I had the privilege of participating in a naturalization ceremony. Some sixty foreign-born persons were ready to take their citizenship vows. Every place on earth was represented. They reminded me of that old Coca Cola commercial about "I want to teach the world to sing." These sixty folks had waited five years for this day. They had learned the language, studied the nation's laws, and passed a test and security check. Behind them sat several hundred proud relatives with cameras. An Army color guard marched in with the flag. Then a soloist sang the National Anthem and God 'Bless America. The guest speaker was himself a naturalized citizen. Today he is a vice-president of a bank. His very presence spoke volumes about the American dream.

Finally, the new citizens stood to take their vows. But before they could do so, they first had to renounce their previous citizenship, whatever it was. You can be a citizen of only one nation at a time. Then altogether, with tears flowing down their cheeks, they declared, "I pledge allegiance to the flag of the United States of America..."

I want to declare to you today that we Christians are the only people on earth who can hold dual citizenship. Simultaneously, we are citizens of America and also citizens of the Kingdom of God.

What We the People Demand

President James Garfield's words from 1877 still ring true. "Now more than ever before, the people are responsible for the character of their Congress. If that body be ignorant, reckless, and corrupt, it is because the people tolerate ignorance, recklessness, and corruption. If it be intelligent, brave, and pure, it is because the people demand these high qualities to represent them in the national legislature ... if the next centennial does not find us a great nation ... it will be because those who represent the enterprise, the culture, and the morality of the nation do not aid in controlling the political forces."
