SOUND THEOLOGY

One of my favorite “Peanuts” comic strip columns features a conversation between Lucy and Linus. Lucy and Linus are looking out the window and it is raining quite hard. Lucy says “Wow! Look at it rain. What if it floods the whole world again?” Linus – the kid with the blanket – says with confidence, “Lucy, God promised Noah in the ninth chapter of Genesis that it would never happen again. The sign of the promise is the rainbow.” Lucy exclaimed: “Linus, you sure have taken a great load off my mind.” Linus shares with Lucy: Sound theology has a way of doing that.”

Jesus shares with Thomas sound theology. He reassures Thomas and the other disciples that he is the Way—the Truth—the Life. And he is, still, today!

SPECIAL THANK-YOUS!

- To the ladies and men including all who helped in any way for the Annual Free For All. This is a tremendous outreach ministry for Snyder's Church.
- Barb reports that Wayne and Gary laid paving stones around the outside of the outdoor sign; laid down then rubber roofing material on the inside and we have ordered a load of white stone to be put on the inside of the pavers.
- The Insurance Company has made some necessary recommendations for our property. Gary will be making the Electric Panel boxes changes as the ones we now have are a fire hazard. Also we will be receiving concrete bumpers from Island Concrete to be placed in the parking spaces that are directly facing the church building. We are also getting a quote cost for seal-coating the places in our parking lot cracks.
- A special thank you to Dwayne and Bev who are/will be trimming the trees in compliance with the Insurance Company request. A special thank-you to the Trustees for attending to these needs.
