FORGIVENESS: ERASING ALL INCRIMINATING EVIDENCE
 Evangelist Tony Campolo says that in his teenage years he was terrified by a visiting pastor's depiction of Judgment Day. This pastor claimed that one day God would show us a movie of every single sinful thought, word, or action we ever committed. And he ended his lurid description with the announcement, "And your mother will be there!"

But Tony claims that Judgment Day will more closely mirror what happened during the trials over the Watergate scandal. The prosecutor brought in a tape of a conversation between Nixon and his aides. Just at the most crucial part of the tape, the section that revealed their crimes, there was an eighteen minute gap of silence. Nixon's faithful secretary, Rosemary Wood, had erased the incriminating evidence! In the same way, Campolo says, Jesus will erase all the incriminating evidence against us.
