IT'S PEOPLE I CAN'T STAND

Lucy stands with her arms folded and a resolute expression on her face, while Charlie Brown pleads with her, "Lucy," he says, "you must be more loving. The world needs love. Make this world a better place, Lucy, by loving someone else." At that Lucy whirls around angrily and Charlie goes flipping over backwards. "Look, you blockhead," Lucy screams. "The world I love. Its people I can't stand!"
