NINE REASONS THEY DID NOT RETURN

Why did only one man cleansed from leprosy return to thank Jesus? Someone has made a list of nine suggested reasons why the nine did not return:

- One waited to see if the cure was real.
- One waited to see if it would last.
- One said he would see Jesus later.
- One decided that he had never had leprosy in the first place.
- One said he would have gotten well anyway.
- One gave the glory to the priests.
- One said, "O, well, Jesus didn't really do anything."
- One said, "Any rabbi could have done it."
- One said, "I was already much improved."

That's not surprising, is it? I doubt that more than ten percent of us are ever truly grateful to God. In fact, it often seems that the more we have, the less gratitude we feel.
