**BURNING ON THE BOTTOM OF THE PAN**

I remember an old story about a kindergarten teacher wrote a song about popcorn and then had her class crouch down on the floor as they sang it. At the appropriate point in the song, all the children would "pop up". The teacher had them "popping" all over the classroom.

One day, during the popcorn song, the teacher noticed that one little boy remained crouched down when all the other children popped up. "What's wrong?" the teacher asked. "Why aren't you "popping" like the other children?"

The little boy replied, "Cause I'm burning on the bottom of the pan."

Some of us are like that little boy. We feel like we are burning on the bottom of the pan. We feel like we have no worth as persons.
