THE LANGUAGE OF GOD

There was a mother mouse who decided to teach her children about the world.
 So she gathered all of her little mice and set out for a walk. They walked
 down the hall and turned to the right. Then they went down the hall and took
 another right. And suddenly they found themselves in front of the family cat
 dozing in the sunlight. The mother mouse was scared. But she didn't want to
 give in to her fright. So she signaled to the children to be very quiet and to
 follow as she began to tip toe quietly and slowly past the sleeping cat. Just as
 she was about to get past the cat, the cat's eyes popped open and raised its
 paw.

The little mice were petrified. What would their mother do? Well, just as the
 cat's paw started to come down, that mother mouse looked the cat right in the
 eye and started barking like a dog. And do you know what? The cat was so
 startled and frightened that it jumped up and ran away! The mother mouse,
 wiped her brow, shook a little and then turned to her little mice and said,
 "Children, I hope you learned a valuable lesson. Sometimes it's good to know
 a second language!"

It's the same way with us. It's good to know a second language. Salt and
 light are the language of God; the language of Grace; the language of Hope
 and Love. And when this language is translated into action it becomes the
 most beautiful language ever spoken. We're called to be salt and light and to
 speak the language of God as we live our faith. We're called to live the Word.
