BEARING FRUIT

Jesus said, unless a grain of wheat falls to the ground and dies, it remains
only a single seed. But if it dies it bears much fruit. Jesus then explained
what he meant. He said, "The man who loves his life will lose it, while the
man who hates his life in this world will keep it." It's true in life isn't it? If
we are going to get anything out of it we have to invest ourselves in it. Do
you remember the second to last album by the Beatles? It was called
"Abbey Road" and for my money it was their best. The last song is a little
musical reprise called "The End." It's the last lyrical statement the Beatles
make on the album. And it went, "And in the end the love you take is
equal to the love you make." The truth of this is written in creation. It is
evident for everyone to see. It is even found in something as small as a
grain of wheat, a seed.
