SOMETHING WHICH TIME CANNOT EFFACE

Life is a matter of building. Each of us has the opportunity to build something - a secure family, a good reputation, a career, a relationship to God. But some of those things can disappear almost overnight due to financial losses, natural disasters and other unforeseen difficulties.

What are we to do? Daniel Webster offered excellent advice, saying, "If we work on marble it will perish. If we work on brass, time will efface it. If we rear temples, they will crumble to dust. But if we work on men's immortal minds, if we imbue them with high principles, with just fear of God and love of their fellow-men, we engrave on those tablets something which time cannot efface, and which will brighten and brighten to all eternity.
